Come join our celebration!

WomanACT is currently seeking sponsorship and donations for our Soul of a Warriors Awards!

Who are we?

WomanACT works to eradicate violence against women and children through community mobilization, coordination, research, policy and education.

Why funds are needed?

WomanACT receives core funding from its major funders, Women and Gender Equality Canada, the Ministry of Community, Children and Social Services and the City of Toronto. Unfortunately, this funding is not enough to cover some of the research and policy analysis activities.

Research and policy analysis activities are crucial in our efforts of making change on a systemic and practical level. Through this work, we increase the chances of saving lives and raise the level of safety for women and children victims of violence.
