

Qoraaal Dhacdooyin Hubaal ah: Dumarka aan ku lahayn xuquuq daganaasho Canada

Sababaha dadku uusan ugu lahayn xuquuq deganasho Canada:

- Dad badan ayaa soo gala Canada ayaga oo wata ruqsad dal ku-jog ku-meel-gaar ah. Hadday dhaafaan waqtigii loogu tala galay; waxay luminayaan ruqsadda dal ku-joogga. Dadka qaarkiis waxay Canada ku joogaan si sharci la'aan ah muddo 10, 20 sano iyo in ka badan. Qaarkood waxay halkaan joogaan ilaa iyo yaraantoodii; waxna kama yaqaanaan dalalkii ay ku dhasheen oo ay halis u yihiin in dib loogu dhoofiyo.
- Dad badan waxay ku andacoodaan inay qaxoooti yihiin markii laga aqbali wayeena waxey doorteen in ay ku joogaan dalka sharci darro ah; intii ay ku noqon lahaayeen mustaqbal aan la hubin, ama xataa dimasho.
- Haween badan aya Canada ku yimid sharci ahaan (ayaga oo ay kafaala-qaadeen loo-shaqeeye, qofka ay is qabaan ama xubin qoyskooda ka tirsan), lakin waxey kala kulmeen dadki kafaala-qaadey xiriir had-kudub ah. Haddi ay ka cararaan ayaga oon helin ruqsada joogtada ah ee dal-ku-jookaa waxay noqon karaan kuwa aan dalka ku lahayn xuquuq deganaansho.

Tiro-koobiyo ku saabsan dadka Canada aan ku lahayn xuquuq daganaasho qaarkood:

- Dadka aan lahayn xuquuqda daganaashaha Dalka oo sharci ah waxay ku qasban yihiin in ay ku noolaadaan ama ku shaqeeyaan qarsoodi ahaan si ayaan dowladdu u dareemin oo aan dib loogu dhoofin. Sababataan awgeed ayeeyan u suurtoobin in la sameeyo tiro-koobo sax ah; hase yeeshee waxaa lagu qiyaasay inta u dhexeysa 20,000 ilaa 200.000 oo qof; lakin dad badan baa waxey qabaan in tirodu intaa ka badantahay.

- Haweenka ka tagay raga qaba waxay si gooni ah qatar ugu jiraan inay dilaan raga ay la lahaan jireen xiriir isu-tagideed.

Maxey haweenka aan lahayn xuquuqda daganaasha Dalka qatar ugu jiraan in lagu xoog sheegto?

Haweenka aan lahayn **xuquuqda daganaasha Dalka** waxay dumarka kale kala siman yihiin hababka qaarkood ee haween u xoog sheegedka, hase yeeshee way ka qatar badan yihiin xaalada dayacan oo ay ku nool yihiin awgeed:

- Helitaankooda wararka, la-talinta, iyo adeegyo bulsheedka kale aad bay u xadidan yihiin, haday wax ka helaanba.
- Haddi ay la kulmaan xaalad deg deg ah ma wici karaan poliska ; ayagoon qatar isu galin in Dalka laga saaro madaama Polisku uu karo in uu xiro qof asaga oo ka wakiil ah waaxda sodcaalka.
- Haddi qofka ay la nooshahay lagu soo oogo xad-kudub u ku sameeyay ; taa waxay ku dhalin karta haweenayda dhibaato aan laga soo waaqsan.
- Si sahlan kuma ay heli karaan adeegyada caadimaadka.

Maxaa loo baahan yahay in la qabto?

- In la nidaamiyo dadka aan Canada ku lahayn xuquuqda daganaasha Dalka.
- In aan la waydiin qofka sharciga u Dalka ku joga ama aan polisku usan u sheegin waaxda sodcaalka ee Canada iyo kuwa kale oo adeegyada dadka u fidiya . Siyaasada Ha waydiin, Ha u sheegin waxay adeegyada dowlad hooseedka magaalada ka dhigaysaa kuwo u wada furan dadka magaalada degan oo idil; iyado aan dadka lagu kala takoorin xaladooda sharciiyeed ee ay Dalka ku jogaan.
- In wax laga badalo sharciga socdaalka si haweenka Dalka socdaalka ku jooga looga badbaadiyo ku xad-gudubka kafaala-qaadeyaasha iyo loo-shaqeeyeyashaba.
